

# HD Diesel Emissions Reduction Program

**What:** We are offering a one-day training course to help our industry to comply with HD Diesel smoke inspections required under the Annual Smoke Inspection Program (Periodic Smoke Inspection Program), Health and Safety Code 43701. The course emphasis will help our industry obtain the requirements of Title 13 CCR, Chapter 3.6, Section 2190-2194. Students will perform the opacity test with the SAE J1667 equipment.

**When:** March 2, 2007 (8 hours)  
Friday  
12:00 p.m. - 8 p.m.

**Where:** College of Alameda  
Diesel Building AE@  
555 Atlantic Ave.  
Alameda, CA 94501

**Cost:** \$125.00

Payment for class is made to the COLLEGE of ALAMEDA. Please contact the Office of the Vice President of Instruction (510) 748-2352 for payment information.

For other course information, call Michael Robertson at (510) 748-2393.

This course is designed for mechanics, technicians and engineers to supplement their knowledge of heavy-duty diesel engine emission compliance and testing.

Classes are held the first Friday of the months of October, November, February, and March.

Sponsored by  
California Council on Diesel Education and Technology  
and the Air Resources Board
